Need something more custom?

Contact our sales team and we'll help you design a custom plan that addresses your specific needs.

Custom
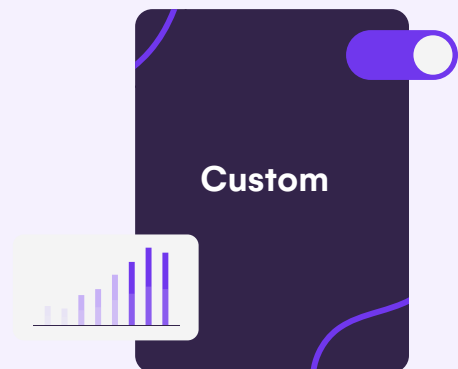

Select from additional services and support

A comprehensive range of services to give you more time to focus on the things that matter. Our expert technical and support team have assisted thousands of event planners in powering the WOW in their events.

In-person

Relax, we've got your back! This is the ideal support package for live events.

- Dedicated Event Delivery Specialist (oversees all event tech from our Event Control Center)
- On-call Senior Technical Resource (on standby to assist if needed)
- Onsite technical support (to help keep your event tech running smoothly)

Virtual

Make us your tech partner for successful virtual events and exhibitions.

- Dedicated Event Delivery Specialist
- On-call Senior Technical Resource
- Session AV Producers (to manage video streaming of sessions, including remote presenter support)
- Remote attendee technical support (dedicated team via OnAIR portal)

Hybrid

Put us on your tech team for great support when running combined in-person and virtual events.

- Dedicated Event Delivery Specialist
- On-call Senior Technical Resource
- Onsite technical support
- Session AV Producers
- Remote Attendee Technical support
